[Mathematical Olympiads 1997-1998: Problems and Solutions ...](#)

<https://kheavan.files.wordpress.com/2011/10/mathematical-olympiads-1997-1998-problems...>

This collection is intended as practice for the serious student who wishes to improve his or her performance on the USAMO. Some of the problems are comparable to the USAMO in that they came from national contests. Others are harder, as some countries first have a national olympiad, and later one or more exams to select a team for the IMO. And
